Sam Mumford

About Me

Self motivated and detail-oriented RCC Graduate with a degree in Game Development, who quickly made the transition to Front-End Web Development after seeing React framework and became more passionate about it.

WORK EXPERIENCE

Janet Goeske Senior Center - Recreation Attendant | Sept. 2015 - March 2020

Part time job at local senior center where I normally worked solo:

- Opening and closing the center
- Interacting with guests
- Setting up and helping rentals or other groups
- Inputting Data from guests quickly into our system

Canyon Crest Athletic Center - Maintenance Associate | June - August 2014

Temporary position maintaining local gym

US Precision - Laser Operator | Sept. 2013 - Feb. 2014

Operated and maintained a laser that cut metal for a short time
